Memo To: The Parishes and Deaneries of the Diocese of El Camino Real

Memo From: The Budget Advisory Committee of the Diocesan Council

The Budget Advisory Committee is soliciting requests for funding for the 2009 Operating Budget of the Diocese. We have sent the customary requests to those who have received funding in the past, but this communication is to notify the wider diocese that there may be worthy projects and ministries that are looking for funding.

Those programs that have received funding in the past receive priority in the budget process, but we want to make sure that everyone who would like to make a funding request receive the opportunity.

Please send your written request for funding via e-mail to The Rev. Brian Nordwick, at the Diocesan Office (below). The deadline for requests to be received is May 15, 2008 and should include a narrative justification with a budget breakdown of funds requested.

Faithfully,

The Rev. David Breuer
Chairperson, Diocesan Budget Advisory Committee
