

Cover Notes for re Letters of Agreement
For the Diocese of El Camino Real

Attached is a sample Letter of Agreement, which we hope will be helpful to you. Providing this letter is not an attempt to insist that each clergy person in the diocese have precisely the same Letter of Agreement. Instead, it is an effort to offer guidance in the calling process. Where there are areas of flexibility, the options are either in brackets, or a blank space has been inserted. For example, some parishes provide four week of vacation including four Sundays away from the parish. Others offer five such Sundays. That option is indicated in brackets.

There is a place for the signature of the Bishop/ The purpose behind this inclusion is to underscore and strengthen the collegiality between congregations and the diocese.

Should you have questions about any specifics, please feel free to be in touch with The Reverend Canon Brian Nordwick- Diocesan Deployment Officer.
