Photo Permission Form

It is important to ask permission to publish photos of children on websites, especially when digital cameras are so prolific and websites such an important medium for making ourselves known to our neighbors! St. Mark's Santa Clara has shared a form we commend to you. (See below -- maybe you can cut-and-paste and adapt for your own needs?)

Speaking of photography, it seems important to me that websites never list full names in your public areas -- especially not of minors and not of anyone without their permission!!! (to know how important this can be, why not "Google" your very own self and see how many times you come up -- this day and age, we're all famous whether we want to be or not!!)

We also will never sell these pictures; we will use them exclusively for internal purposes and promotional activities (including, but not limited to our website, newsletter, and brochures).
